TO ALL BIDDERS

Dear Bidder,

Re: Collaborative Meetings – Multi-Level Parking Garage, Downtown Kingston

Reference is made to the matter at caption and question received from one of the proponents as detailed below.

Kindly provide a response to the following question, as follows:

"We wish to include a ground floor for commercial uses in addition to the 5 story parking lot. Commercial use as in rentable units for food and service providers. Is this permissible?"

Response:

"The proponents can include other innovations that will be economically viable and will improve property values, with potential increase in revenues. Also, any additional innovation may be able to create further economic activities as the project will act as a catalyst for other developments in the area".

Yours truly,
URBAN DEVELOPMENT CORPORATION
